## ALL FOILS <br> TP-NI1 Nickel Tape

TP-NI1

## Product Application \& Description

TP-NI1 is a 1.0 mil. annealed nickel foil tape which incorporates a high-performance acrylic adhesive designed for permanent adhesion in a wide range of applications. TP-NI1 provides an aggressive adhesion performance, high shear and an outstanding high temperature resistance at service temperatures in excess of $400^{\circ}$ F. The $76 \#$ poly coated liner offers excellent lay flat and smooth release.

## Shelf Life \& Storage

It is recommended to consume all materials within 1 year from date of purchase. Best if stored in a controlled environment ( $72^{\circ} \mathrm{F}$ and $50 \% \mathrm{RH}$ ) and out of direct sunlight.

| 0.001" 201 Annealed Nickel Foil |
